

Customer identification requirements

We're required to verify your identity, so you'll be asked to provide the following evidence when opening an account.

Please provide **unaltered black and white photocopies of identification (do NOT send originals)**. This must include photocopies of the page(s) that contain the following: photographs, reference details, transactions and current UK entry/residence visas. Please also note that certified copies of identification documents are not required.

Please provide one item from **list 1**, plus a separate item from **list 2**. The two documents must be from separate/different organisations.

If the documents you send do not meet the requirements above, we will have to request other documents from you which may delay your account opening.

If you do not have two documents that meet these requirements, please call us. We might be able to suggest other documents you can send.

We need to ensure that we know our customer and, in certain circumstances, identify that customer to comply with the Money Laundering Regulations. These regulations aim to disrupt criminals from using financial products and services to launder money. They also protect you from criminals who might try to use your identity without your knowledge.

Please send copies of your identification documents and your signed letter in the pre-paid envelope provided
