Changes to the terms of your account

We'll be updating the cahoot general and product specific terms and conditions to reflect new regulations and some changes to our services. We wanted to let you know in advance, so you have plenty of time to understand the changes and take any action if needed. More information about the changes is provided below.

Nothing is changing immediately; unless we say otherwise, the changes will happen by either 6 April or 5 May 2020.

Summary of changes

1. **From 6 April 2020**, a single, variable interest rate of **9.4% APR*/EAR** (variable)** will be applied on any arranged overdraft you use. The £100 fee-free or interest-free buffer is being removed, so all of an arranged overdraft will be charged at the new rate. We are also removing all unarranged overdraft fees and charges. The fee for refusing a payment due to lack of funds will not be charged on any transactions from 10 December 2019.
2. We're also taking the opportunity to let you know about some changes to services and cahoot general and product specific terms from **5 May 2020**. This includes an increase in the foreign currency conversion fee from 2.25% to 2.95% and confirming that a number of other foreign transaction fees have already been removed.

The changes we're making

Interest and fees on Sundays and Christmas Day

We use your account balance to calculate any debit or credit interest applicable to your account. Currently any transactions made on a Saturday or a Bank Holiday (except Christmas Day) are processed the same day but some deposits or withdrawals made on a Sunday or Christmas Day aren't processed for credit or debit interest until the next working day.

From **5 May 2020** deposits or withdrawals made on any day that a transaction is processed will be treated as received that day. This means any applicable credit or debit interest will be applied on a Sunday or Christmas Day, if the transaction is processed on that day.

Change to foreign currency conversion fee for cash withdrawals and debit card payments

The conversion fee for cash withdrawals and debit card payments in a foreign currency will change **to 2.95% of the value**, currently 2.25%.

The following foreign transaction fees were removed on 10 December 2019.

- Cash withdrawal fee (including cash machines, purchase of travellers' cheques or foreign currency at another bank, bureau de change or other outlet displaying the Visa or Mastercard sign abroad), previously 1.50% on each transaction.
- Single Euro Payments Area (SEPA) - non-urgent euro transfer, previously £15.00 (no card needed).

Foreign currency cheques

We're adding the previously separate foreign currency cheque deposit terms and conditions into the cahoot general and product specific terms and conditions so you can find all the terms and conditions related to foreign currency transactions in one place.

Foreign currency transactions

We're also updating the CHAPS, EEA and International Payments terms and conditions to clarify the cut-off times for these payment types.

Where you request to pay any third-party correspondent banking charges on an international payment (those made anywhere in the world outside of the EEA), we will debit your account with these charges immediately after we have received them from other banks. Please note we have no control over the correspondent bank charges that are levied by third party banks.

Foreign currency card payments and cash withdrawals

When you make a card payment or cash withdrawal in a foreign currency, it:

- will be converted into pounds using the Visa or Mastercard exchange rate as at the date we receive the payment instruction to debit your account (which may not be on the same day that you authorised the payment);
- may incur a cahoot commission fee based on the amount of the transaction we receive in a foreign currency to convert to sterling; and
- may incur commission fees imposed by the retailer or bank that carries out the card payment or cash withdrawal if you select for them to carry out the conversion from the local currency to sterling.

We will send you regulatory alerts we are required to when you make a card payment or cash withdrawal overseas.

Paying cheques into your account

We're updating the cheque clearance timescales following the introduction of the new cheque imaging process across UK Banks and Building Societies.

We're also clarifying that cheques paid into your account via the Post Office or through the post will take longer to reach us and including guidance on what you should do if you want to pay in a cheque which has expired, been cancelled, or declined.

Paying money in and automatic payments, like Debit Debits and Standing Orders

We're clarifying the cut-off time for you to put money into your account to ensure you avoid or reduce overdraft charges each day. If your account is using an overdraft you have until 8pm to bring your account into credit to avoid charges for that day.

We've also amended our terms to clarify that automatic payments are taken from your account at the beginning of the working day they are due. This means that if you don't have available money in your account at this time, we will try to make the payment again later that afternoon (and for standing orders, again in the afternoon of the following working day).

To ensure the payment is made, you will need to move enough money into your account or have an arranged overdraft sufficient to cover the payment, before 4pm (or 4pm the next working day for standing orders).

Confirmation of Payee

When sending money to accounts in the UK you will now need to provide us with the name of the person you want to pay, along with the account number and sort code.

Making changes to Terms and Conditions in the future

We're clarifying our ability to make future changes to your agreement. We've given more detail around the types of changes that we might make and some examples of when we might make them. Also, as you may hold an account with us for a long time, we can't anticipate everything that might happen over this period. This means we may also need to make other changes to your agreement with us for other reasons not included.

Helping protect you from fraudsters

Earlier in the year we signed up to an industry code of good practice to help better protect our customers' accounts and reduce the occurrence of authorised push payment (APP) fraud. Scams involving APPs occur when you authorise a payment to an account that you believe belongs to a legitimate payee – but which is, in fact, controlled by a fraudster.

In the future, once you have told us that you believe you have been subject to an APP scam, we will look into this and apply industry standards to determine whether you are entitled to a full or partial refund. We will usually let you know within 15 working days after the day you told us about it, although this might take longer in exceptional circumstances. Any refund will be given to you without undue delay. Please note that we will not refund you if we find that you should have known that you were sending money to a fraudster – although we will always take circumstances into consideration.

Third Party Payment Providers (TPPs)

TPPs can only access your online accounts with your permission and where these are payment accounts e.g. a current account and some savings accounts. If you ever withdraw your consent to allow a TPP access to your account, we will tell the TPP that you have done this.

Complaints

Our terms and conditions are being updated to reflect that if you don't think we are meeting our legal obligations under the Payment Services Regulations 2017, you are able to complain to the FCA. For more information, visit [fca.org.uk/consumers/how-complain/submit-information-payment-services-e-money-firm](https://www.fca.org.uk/consumers/how-complain/submit-information-payment-services-e-money-firm)

Joint accounts

We'd normally ask for permission from both account holders on a joint account to remove an account holder. There may be certain circumstances in the future, that we do this without permission from both customers. For example, where there is a marital dispute or estranged relationships.

Data Protection Statement

We're updating the Data Protection statement to clarify that you must provide your personal data if we are to process an application, even if you are an existing customer and we already hold your details. We have also made some changes to make the Data Protection Statement easier to understand.

Who our agreement is with?

We've amended the definition of "you" in the terms of your account to make it clear that the agreement is between ourselves and you, or anyone you've chosen and agreed can act on your behalf, such as under a power of attorney.

What to do next

Most of the changes to your account take effect by either 6 April or 5 May 2020 so you have time to understand them or ask any questions. If you keep using your account, we'll automatically make these changes and assume you have accepted them. However, if you don't want to accept these changes then you can close without charge at any time. It's important to review your account to make sure that it continues to meet your needs.

You can also use the Current Account Switch Service (CASS) to switch current accounts between providers. The service offers a secure and easy way to switch your account in seven working days. This service is free to use, and you can choose your switch date.

*APR stands for Annual Percentage Rate which shows the overall cost of credit as an annual rate charge. It takes into account the interest, charges and any other cost involved in getting credit, which makes it easy to compare across the market. **EAR stands for Effective Annual Rate and represents the yearly cost of an Arranged or Unarranged Overdraft, which takes account of how often we charge interest to the account and does not include any other fees or charges.

- (b) We have the right to refuse to allow any withdrawal, or make any payment, from your cahoot account:
 - (i) due to lack of funds, if at the time we receive your payment instruction there is no money left (or, where applicable, you will go past the arranged overdraft limit) in the account from which you want to make the payment to cover the payment in question (and, in the case of CHAPS, EEA and International Payments, any fees that are payable to us for carrying out the payment as applicable);

 - (ii) the reason why we refused; and
 - (iii) if you think we have based our decision on mistaken information, how you can ask us to rectify that mistake.
- (d) We do not need to tell you of any refusal (or the reasons why) if this would otherwise be unlawful.

7.6 To help keep your money secure, we may limit the amount you can send from your account online or ask you to contact us for payments that require additional authorisation.

If we send money as a faster payment using the Faster Payments Scheme, that payment will be subject to the Scheme limits. Information on the Faster Payment Scheme transaction limits are available on the UK Payments Administration website www.ukpayments.org.uk. However, in some circumstances we may apply lower transactional limits and you will be notified of these when you make your payment instruction.

For further information about Faster Payments see the Frequently Asked Questions about Faster Payments on your online banking.

7.7 To help keep your money secure and to prevent fraud, you might need to provide additional identification before you can transact on savings accounts that have been inactive for three years or longer

8. Care of your cards, chequebook, PINs, passwords and security details

8.1 We will notify you of the PIN to be used with your cahoot debit card or cahoot credit card. We may also ask you to provide security details as a means of identification, for example when buying goods or services with your card. We may withdraw your PIN if we believe that this is necessary for security reasons to prevent misuse of your card or your cahoot account, for example where the wrong number is used more than once. You will then need to apply for a new PIN.

If we withdraw your PIN:

- (a) we will tell you of our intention to do so and our reasons why in advance, unless we are unable to in which case we will tell you immediately after we do so;
- (b) we will inform you of this withdrawal using any of the notices listed in general condition 20;
- (c) we do not have to tell you that we are withdrawing access to your PIN if so doing would compromise our security measures or would otherwise be unlawful; and
- (d) you will need to contact us on the details laid out in general condition 7.2 in order for us to reactivate and/or replace your PIN codes as soon as possible, provided that the reason we gave for its withdrawal no longer exists.

8.2 The care of your chequebooks, cards, PINs and security details is essential to help prevent fraud and protect your cahoot account. To ensure this you MUST:

- (a) sign your physical card in permanent ink as soon as you receive it;
- (b) destroy the notification of your PIN as soon as you receive it;
- (c) always take reasonable steps to keep your cards safe and your PIN and security details secret and dispose of them safely. Fraudsters use various methods such as searching in dustbins to obtain personal information. You must take simple precautions such as shredding paper containing personal information;
- (d) not keep your chequebooks and cards together;
- (e) not write down or record your PIN, security details or personal information on your card (or anything kept with it) or on any documents relating to your account. If you do write down or record your PIN, security or personal information, you must disguise this information so that it cannot be understood by anyone else;
- (f) not allow anyone else to use your cards, PIN or security details (not even someone with whom you share a joint account);
- (g) never disclose your PIN, any one time passcode we provide to you or other security details to anyone else, not even a member of cahoot staff. You can request a new PIN at any time and you must do this if you think that anyone else (even a member of your family) knows your PIN.

PLEASE REMEMBER ANYONE IN POSSESSION OF YOUR CARD WHO KNOWS THE PIN CAN GAIN ACCESS TO YOUR CAHOOT ACCOUNT.

- (h) only disclose your security details when requested by us for identification purposes; and,
- (i) act on any further instructions we provide to you to ensure that your online banking is secure. Any instructions will reflect good security practice, taking account of developments in e-commerce;
- (j) keep your card receipts and other information about your account containing personal details (for example, statements) safe;
- (k) take care when disposing of information on your accounts. People who commit fraud use many methods such as 'bin raiding' to get this type of information. You should take simple steps such as shredding printed material;
- (l) When writing a cheque, it is helpful to prevent fraud to:
 - (i) write the full name of the person or body to whom you owe money, putting a straight line through any remaining space;
 - (ii) if the cheque is payable to, for example, HM Revenue & Customs or other large organisation add your name to the payee line with the preface 'RE' and similarly write the amount in full, putting a line through any remaining space.

(m) take reasonable steps to secure your mobile phone or other mobile device (for example set up a security password or PIN) so that it cannot be used to access internet banking if it's lost or stolen and so that others cannot access any alerts or communications from us that may be stored on it.

(n) comply with the security procedures we tell you about from time to time.

On the website www.cardwatch.org.uk you will find a helpful guide on what to do if you suspect card fraud.

9. Loss, theft or misuse of cahoot debit or credit card or cahoot chequebook, mobile device and your liability if this happens

9.1 If you think your debit or credit card, chequebook or mobile device has been lost, stolen or misused, or if you believe that your PIN has become known to another person or selected information from your security details has become known to another person then you must notify us as soon as possible by telephoning 0800 587 1111 (or 44 1908 937222 from outside the UK). We have the right not to refund any unauthorised transaction on your current account if any of the circumstances listed in general condition 10.2 apply.

9.2 We will take immediate steps to prevent them from being used to access your cahoot account.

9.3 You are not liable for any unauthorised use of your card, PIN, mobile device or security details in the following cases:

- (a) before you receive it;
- (b) unless you have acted fraudulently, after you have notified us under general condition 9.1 of the loss, theft or unauthorised use of them;
- (c) if we have failed to tell you how to notify us of the loss, theft or unauthorised use;
- (d) if we don't apply procedures that we're legally required to use to check a payment has been authorised by you;
- (e) if the unauthorised use of it relates to the purchase of goods or services by way of a distance contract.

For the purpose of this general condition 9.3, 'distance contract' means any contract entered into by you online or by post (including mail order), email, fax, telephone or teleshopping, unless the purchase relates to land or financial services, or is made using a vending machine, a public pay phone or an auction.

10. Unauthorised or Incorrect Payments

10.1 Notification of Unauthorised or Incorrect Payments

If you believe that any withdrawal or payment made on your cahoot account was not authorised by you (or any other person permitted to authorise withdrawals or payments from your cahoot account) or was made incorrectly, then you must notify us as soon as possible by telephoning 0800 587 1111 (or if you call from overseas 44 1908 937222).

10.2 Your Remedies for Unauthorised Payments

Your remedy for an unauthorised payment will depend on whether or not your cahoot account was overdrawn at the time the unauthorised payment was taken or if you have money in your account. If you have any money in your cahoot account at the time of the unauthorised payment but the payment took it into overdraft, each element of the payment will be treated separately for these purposes.

- (a) Subject to general condition 9.3, we will not refund you in any circumstances if:
 - (i) you authorised the transactions;
 - (ii) someone else used your card with your agreement;

- (iii) you have acted fraudulently;
- (b) Subject to general condition 9.3, except where your cahoot account is in overdraft, we will also not refund you if:
 - (i) someone else used your PIN or security details with your agreement;
 - (ii) you deliberately, or with gross negligence, disclosed your PIN or security details to someone else;
 - (iii) you deliberately failed to follow any of the safeguards referred to in general condition 8.2 or you are grossly negligent in failing to follow any of them;
 - (iv) after becoming aware you delayed unreasonably in notifying us that the transaction was unauthorised; or
 - (v) you failed to tell us the transaction was unauthorised within 13 months of the date on which the transaction occurred or ought to have occurred.
- (c) In all other cases, if you notify us that a payment was not authorised by you, we will refund to your cahoot account the amount of the payment and any fees and/or interest and charges directly incurred on the cahoot account as a result of the payment or which would not have been incurred or would have been earned on the cahoot account had the unauthorised payment not been made.
- (d) However, where your card, mobile device, PIN, or your security details are used without your authority by someone else in circumstances other than those in general condition 9.3 then we may debit up to £35 from you before applying the refund. You will be responsible for the full amount of the payment if any of the circumstances in general condition 10.2 (a) or (b) apply.
- (e) We will refund your account:
 - (i) If your account is overdrawn, as soon as we are reasonably satisfied that you are entitled to the refund; or
 - (ii) If you have money in your account, by the end of the next Working Day after we become aware of the unauthorised payment. Before we refund your account, we are entitled to carry out an investigation if there are reasonable grounds for us to suspect that you have acted fraudulently, or we can show that you've acted deliberately or have been grossly negligent.
- (f) We may debit your account with any amount refunded under (e) where we subsequently become aware that the circumstances in (a) or (b) apply.
- (g) If you dispute that you have carried out a payment with a card, cheque, PIN or security details, we expect you to co-operate with us and the police in any investigations. We can give the police and other banks that are involved any information necessary to enable them to carry out their investigations. We have to prove: any allegation of fraud; or that you were grossly negligent in failing to follow any of the safeguards listed in general condition 8.2; or that a card has been received by you.

We will conduct any investigation as quickly as possible and may ask you to reasonably assist in that investigation.

10.3 **Your remedies for Incorrect Payments**

We are responsible for making payments on your cahoot account correctly. If you tell us that a payment has not been made or has been made incorrectly by us, after you tell us, we will:

- (a) refund your cahoot account with sufficient money to restore your account to the same position as if the incorrect payment had not been made. This normally means that we will refund your cahoot account with any fees and interest we have charged or you may have lost in connection with the incorrect payment;
- (b) if you ask us to, make immediate efforts to trace the incorrect payment and notify you of the results of that action.

If a payment has been delayed because of our error, we can, at your request, ask the receiving bank to ensure that the payment is credited to the payee's account as if it was made on time.

10.4 We do not need to do any of the things listed in general condition 10.3(a) and we are not responsible for an incorrect payment on your cahoot account where:

- (a) you fail to tell us (using the contact details provided in this document) of the incorrect payment without undue delay and in any case within 13 months of the date on which the transaction occurred (or in the case of a failed transaction ought to have occurred); or
- (b) the cause of the incorrect payment is because you gave us the wrong (or insufficient) payment information (see general condition 7.5(a)) for us to make the payment.
- (c) we can demonstrate to you (and if applicable the beneficiary's bank) that the beneficiary's bank received the payment within the relevant execution time listed in general condition 7.3 (in which case the beneficiary's bank is legally required to make the payment to the person you want to pay).

In these circumstances we will use reasonable efforts to recover any money paid out of your account or not paid into your account as a result of the failed or incorrect payment.

10.5 **Payments made into your account in error**

10.6 If a payment is made into your cahoot account by mistake the money may be taken back out of your cahoot account. How and when we do this will depend on the type of payment and the reason for the mistake.

- (a) For CHAPS payments and SEPA credit transfers, if the sending bank (or the sender) has made a mistake we will not take the money back out of your cahoot account without your permission. If you do not think that the payment has been made in error we will let the sending bank know.
- (b) For BACS payments or Faster Payments if we reasonably believe the sending bank (or the sender) has made a mistake, and tells us:
 - (i) within 2 months of the money being paid into your cahoot account, we may prevent you from using the money and we can take the money back out of your cahoot account and return it to the sending bank. We do not need your permission to return the money;
 - (ii) after 2 months of the money being paid into your cahoot account, we will not take the money out of your cahoot account without your permission.
- (c) If we have incorrectly credited any payment to your cahoot account we will take the money back out of your cahoot account. We do not need your permission to do so.

If a payment is made into your cahoot account by mistake, you agree that we may share all relevant information with the sending bank so that the payer can trace the money.

11. Refunds for payment transactions initiated by a payee

11.1 Unless general condition 11.3 or 11.4 applies, you may request us to refund a debit card payment if you satisfy all of the following conditions below:

- (a) at the time you authorised the payment, the person you agreed to pay did not tell you the exact amount of the payment in question;
- (b) the amount of the payment in question was higher than what you reasonably expected to pay;
- (c) we agree that the amount of the payment was more than you reasonably expected, taking into account your previous spending patterns, any relevant conditions in the agreement (including any spending limits on your cahoot account) and any other relevant circumstances, and we may ask you to provide such information as is reasonably necessary for us to assess this; and

(d) you ask us to make the refund within eight weeks of the date the payment is taken from your cahoot account.

11.2 If you make a request for a refund under general condition 11.1 then we will, within 10 working days of the date we receive that request (or, if we ask for more information under general condition 11.1(c), within 10 working days of the date we receive that information)

either:

(a) refund the payment in full; or

(b) tell you that we do not agree to the refund, the reason(s) why and to whom you can complain if you do not accept our refusal.

11.3 You are not entitled to a refund under general condition 11.1 where:

(a) you (or someone authorised by you to do so on your behalf) have given us consent directly to make the payment; and

(b) if applicable, we (or the person you agreed to pay) has given you information on the payment in question within four weeks of the due date of that payment.

11.4 You are not entitled to a refund under general condition 11.1 if the reason that the payment in question was higher than what you reasonably expected to pay is due to a change in any currency exchange rate.

11.5 Nothing in general condition 11 limits any of your rights under the Direct Debit Guarantee Scheme.

12. Liability issues

12.1 We will not be liable to you if we are unable to perform our obligations to you because of failure of any machine, data processing system or transmission link or because of any industrial dispute or due to any other cause which is outside our control or the control of anyone working for us or on our behalf.

13. Third party providers

13.1 You can instruct a TPP to access information on your cahoot account or make payments from your cahoot account as long as it has identified itself to us and acted in accordance with the relevant regulatory requirements. We will treat any instruction from a TPP as if it was from you.

13.2 Although you must not, generally, give your security details to anyone else, you may give them to a TPP if they ask for them.

13.3 For an initial interim period (expected to be no more than 18 months from January 2018), some TPPs may (with your permission) choose to access your accounts without identifying themselves to us. As a result, it is important that you check that any TPP you use is authorised to access your cahoot account. They should make this clear from the information they give you. You must not give your security details to a third party that isn't authorised. If you do, we'll have to assume it's you that's authorising us to give access to information about your accounts and you'll be responsible for any payments made as a result.

13.4 We may refuse to allow a TPP to access your cahoot account where we are concerned about unauthorised or fraudulent access by that TPP. Before doing so, we will tell you that we intend to deny access and give our reasons for doing so, unless it is not reasonably practicable, in which case we will tell you immediately afterwards. In either case, we will tell you in the manner in which we consider most appropriate in the circumstances. We won't tell you where doing so would compromise our reasonable security measures or otherwise be unlawful. If we deny access to a TPP, we must also tell our regulator that we have done so.

14. Transferring our rights

- 14.1 We can transfer all or any of our rights in relation to your account. We can also transfer any of our obligations but only to someone we consider capable of performing them. We will only transfer our rights and obligations under this agreement if:
- (a) the transferee agrees to exercise the transferred rights or perform the transferred obligations in accordance with a statement of policy which we approve before the transfer; and
 - (b) we reasonably think that the policy is no less favourable to you than the policy we were following before the transfer.
- 14.2 You cannot transfer any of your rights or obligations in relation to your cahoot account to someone else. This means that you cannot, for example, use the funds on your cahoot account as security for money you borrow from someone else.

15. Terminating or suspending use of your card and/or chequebook

- 15.1 We may terminate or suspend or restrict your right to use a card and/or chequebook if we believe that it is appropriate or necessary for our protection:
- (a) to prevent suspected unauthorised or fraudulent use of your card and/or chequebook; or
 - (b) where we consider that there is a significantly increased risk you will not be able to repay any money you owe us on the cahoot account.
- 15.2 Unless we consider that a more urgent action is necessary we will give you at least seven days' notice. Cards remain our property and we may require you to return a card to us and may ask anyone acting for us to do this.
- 15.3 Once you have received such notice, you must not use your card and/or chequebook until we notify you otherwise.
- 15.4 You may terminate your right to use a card by giving notice and returning it to us. Before returning your card you must cut it in two.
- Following termination, these conditions will continue to apply to any amounts you owe as a result of use of your card.

16. Ending the agreement and closing a cahoot account

- 16.1 We can end the agreement and close all or any of your cahoot accounts, by giving you not less than 60 days' notice by post, email or secure message. If you are in significant breach of these conditions or any conditions of the agreement between you and us (or if you have failed to remedy a breach where we have asked you to do so) we may close your account on giving immediate notice or less notice than that specified in this condition.

It is a condition of your cahoot account that you do not act:

- (a) abusively or violently towards our staff;
- (b) dishonestly in your dealings with us;
- (c) in any way to damage our reputation or that of any company within the Santander Group, or that of any card scheme;
- (d) in any way to otherwise damage our business or give rise to investigation or intervention by our regulator; or
- (e) in any way to give rise to, or to the reasonable suspicion of, fraud or other criminal or money laundering activities.

If you do act in any of the ways described in conditions 16.1(a) to 16.1(e), we will treat your behaviour as a breach of these conditions and we may close your cahoot account immediately.

We may also close your account at any time without notice where we are aware that keeping your account open would be unlawful or cause us to be in breach of any of our legal or regulatory requirements.

- 16.2 You can end the agreement and close any or all of your cahoot accounts at any time by:
- (a) calling us on 0800 587 1111 and returning all cards and chequebooks to us: or
 - (b) in accordance with Condition 16.5.
- 16.3 You or we may close any one or more cahoot account(s) without ending any agreement you may have with us.
- 16.4 Where we or you end the agreement and close a cahoot account:
- (a) you must repay all the amounts you have borrowed under the agreement. We will continue to apply interest and charges on the amounts until you have paid everything you have borrowed from us under the agreement.
 - (b) you are liable for transactions undertaken on your cahoot account before the closure date even if they have not been processed by that date (including, if relevant, cheques drawn on a cahoot current account).
 - (c) you must not use the relevant cahoot account (including the associated cahoot debit card and any chequebook) once notice of closure has been given.
 - (d) in the case of a cahoot current account you must cut up and return to us all your and any joint account holders' cahoot debit cards or chequebook where relevant.
- 16.5 If you open a new account with another bank or building society which offers the Current Account Switch Service ('the Switch Service') and you ask to switch your cahoot account with us to your new bank or building society using the Switch Service, you will sign a Current Account Switch Agreement and Account Closure Instruction form asking them, on your behalf, to instruct us to close your cahoot account with us. Once the seven day Switch Service starts, your instruction to close your cahoot account with us will be received by us and cannot be changed and we will close your cahoot account on the date your switch completes (or when you have repaid any money owing on your cahoot account with us, if later). For further details, please refer to the Current Account Switch Agreement Service Conditions provided by your new bank or building society and which sets out the full terms and conditions for the Switch Service.
- 16.6 When your cahoot current account is closed we will, depending on the reason for closure, provide you with access to information on the transactions on your cahoot current account that have taken place in the 5 years prior to the account closure, unless you tell us you do not want this information. You will also be able to request information on transactions on your account before it was closed for up to 5 years following account closure. We will give you more information about this if your cahoot current account is closed. Details will also be available on our website.

17. Waiver

- 17.1 We may decide not to enforce any of the terms and conditions of the agreement. If we do so, we will not be deemed to have waived those terms and conditions on any other occasion.

18. Variation of terms and conditions

- 18.1 We can change these terms and conditions and the special conditions, including interest rates, fees and charges (including removing or adding fees or charges) and other terms where the change is to:
- (a) take account of an actual, or reasonably expected, change in the interest rates we receive or we have to pay, for example, as a result of a change to the Bank of England Base Rate;

- (b) reflect an actual, or reasonably expected, change in our underlying costs including any relevant funding costs;
- (c) take account of any actual, or reasonably expected, change in law or regulation (including any decision by an ombudsman, court, regulator or similar body) or to our way of doing business, including the introduction of new technology or the advancement or change in use of technology;
- (d) make them clearer or more favourable to you; or
- (e) reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to you.

Any change we make will not be more than is reasonably proportionate to the impact of the underlying change on us. We will not make changes to cover the same cost twice.

18.2 We will not change your interest rate during any specified fixed rate period.

18.3 Where the change is to a payment account, we will give you at least 2 months' personal notice before we make a change, unless the change relates to a change in interest rate and:

- (a) the change is to your advantage;
- (b) the change results from an interest rate that tracks a specified external independent rate; or
- (c) the change is to an exchange rate which tracks our reference exchange rate,

in which case we will (for changes other than exchange rate changes) give you notice within 30 days of making the change by one or more of the following methods: personally or by displaying a notice in the national press or on our website. If we put a notice in the press, we will use two national newspapers. Our latest exchange rates are available on request.

18.4 Where your cahoot account is a non payment account, we will give you at least:

- (a) 14 days' personal notice before we decrease the interest rate on your cahoot account where the interest rate does not track a specified external independent rate, unless there is less than £100 in the account in which case we may not give you any notice; or
- (b) 30 days' personal notice before we make any other change, (other than changes to our reference exchange rates),

unless the change is to your advantage, in which case we may make the change immediately and tell you about it within 30 days by one or more of the following methods: personally or by displaying a notice in the national press or on our website. If we put a notice in the press, we will use two national newspapers.

If the interest rate on your cahoot account tracks a specified external independent rate we do not need to give you any notice if we change the interest rate on your cahoot account.

18.5 We may change our exchange rates immediately and without notice to you. Our latest exchange rates are available on request.

18.6 For accounts with no fixed duration, we may also:

- (a) convert your cahoot account to another account in our range (for example, if you are no longer eligible for the account or if we decide to no longer offer that particular type of account); or
- (b) change interest rates, fees and charges (including removing or adding fees or charges) and other terms.

In each case, we will give you at least 2 months' personal notice before we make the change and if you are not happy you may close the account as set out in general condition 19.

18.7 When we tell you about a change by giving you personal notice (or we refer to notifying you personally), this may be by:

- (a) sending you an email;
- (b) putting a secure message in the secure zone;
- (c) (where appropriate) by post;
- (d) statement message; or
- (e) mobile text messaging (where available).

19. If you are not happy with changes to your cahoot account

- 19.1 If you are unhappy with any change we make under general condition 18 other than a change that is to your advantage, that tracks a reference interest rate or reference exchange rate, or that is an interest rate change on a non payment account, you are free to close your account (without loss of interest or additional charges):
- (a) in the case of a payment account, at any time prior to the change coming into effect;
 - (b) in the case of a non payment account, at any time during a period of 30 days from the date of the notification (where the change is to an interest rate or charge) or a period of 60 days from the date of the notification (where the change is to another Condition), in each case, after which you will be treated as having accepted the change.

20. Notices

- 20.1 Unless specifically addressed elsewhere in the agreement, we can give you notices by email, by secure message, by post to your last address known to us, by telephone, by mobile text messaging, or any other method which we notify to you. If your postal or email addresses, telephone numbers, or bank account from which you are making your monthly payments to your cahoot account changes, you must update this information in the secure zone immediately.
- 20.2 Any notice under these conditions must, unless otherwise specified, be given in English, in writing, as follows:
- (a) by you to us by secure message in online banking or by calling 0800 587 1111 or by writing to us at cahoot, 9 Nelson Street, Bradford, BD1 5XS; or
 - (b) by us to you, using any of the contact details you have given us.
- 20.3 All agreements and other information that we are required to give you will be in English. cahoot will communicate with you in English throughout our relationship with you. We will only accept communications and instructions from you in English.

20.4 Alerts Service

- (a) We will register you for a free alerts service on your cahoot account. This means we will automatically send you messages about Arranged and Unarranged Overdrafts on your cahoot current account to help you avoid or minimise any charges. We may also register you for other alerts to help you manage your account in the future.
- (b) These alerts will be sent by SMS. If you currently receive these alerts by email, you will continue to do so unless you tell us otherwise. We may choose to send these alerts by push notification in the future.
- (c) We can also provide you with other alerts which allow you to obtain information relating to the balance and transactions on your account via the different alerts available. You can find out more details about these alerts and request to receive them in Online Banking or by calling us.
- (d) Once registered, you can update the mobile number or email address used for alerts in Online Banking or by calling us. You can also opt out, change or cancel alerts at any time through Online Banking, or by calling us. You will not be able to opt-out of certain alerts if there is a

regulatory requirement that prevents this.

- (e) We will only send you each message once. If you delete a message, we cannot send it again.
- (f) All balances in any alert will be correct as at the date and time stated in the text or email. The balance may not include transactions that are still being processed and is therefore subject to change.
- (g) If we do not send an alert or if it is inaccurate, we will only be responsible for any charges you incur on your account which you could otherwise have avoided.

21. How to complain

21.1 At cahoot it is important to us that we continue to improve our services and products and provide you with the service you expect. We want to know when things don't go well so we have the opportunity to put them right for you and potentially other customers. The best way to contact us is over the phone so that we can talk to you in person, please call us on 0800 587 1111.

We'll aim to provide you with a decision as quickly as we can. Our Complaints Leaflet is available upon request and contains further information on our complaints process, including the handling timescales. This information is also available on our website at www.cahoot.com. You may also be able to refer your complaint to the Financial Ombudsman Service. Details of how to complain to the Financial Ombudsman Service are available at: www.financialombudsman.org.uk.

21.2 Alternatively, if you originally purchased your product with us online, you could submit your complaint through the European Commission's Online Dispute Resolution website. The European Commission may ultimately forward your complaint to the Financial Ombudsman Service. You can find out more information at <http://ec.europa.eu/odr>

22. Taxation

22.1 Any interest earned on your account will be paid using the gross rate. This means all the interest we pay you will be without tax deducted. If the total amount of interest you receive exceeds any Personal Savings Allowance to which you're entitled, you may have to pay tax at the applicable rate. This would need to be paid directly to HM Revenue & Customs ('HMRC'). For more information, please visit gov.uk and search for 'Personal Savings Allowance'. Other taxes or costs may exist that are not paid via us or imposed by us. It is your responsibility to ensure that this tax is paid.

The following conditions 22.2 to 22.5 are only applicable if you are covered by the tax requirements of another country:

22.2 We may be legally obliged to disclose information about you and your account to HMRC, who may in turn pass this on to other tax authorities in line with international agreements or treaties that may be in force.

You agree that we may provide any documentation or information to HMRC that they may be obliged to share with an overseas Tax Authority in accordance with the provisions of any law, legislation or regulation of the UK.

22.3 You will agree to provide us with personal information, declarations or certifications that we are required to retain by law within 30 days of us making a request to you, to enable us to determine whether your account details will need to be reported to HMRC or another overseas Tax Authority in line with condition 22.2 above.

22.4 You agree to inform us promptly in writing if any of your personal information changes or there is any change in the circumstances following any certification that you may have provided to us.

22.5 We will not be liable to you for any loss you may suffer if we disclose information in accordance with our legal obligations.

23. Death

- 23.1 If a cahoot account is in your sole name, we will ask your personal representatives to provide proof of their authority and then allow them to close your cahoot account. Any amounts borrowed on your cahoot accounts must be repaid.
- 23.2 Other than a cahoot credit card, if the cahoot account is in joint names it will continue in the name of the survivor. We may share information about the account with the deceased's personal representatives. This could include historical information about how the account was operated as well as statements and details about the state of the account at date of death. This is the case even if the account isn't held in joint names any more when the person dies (in which case we may still provide information about the period when it was held as a joint account).

24. Using money between accounts (set-off)

- 24.1 If any money is overdue for payment on any other account you have with us (such as a loan, mortgage, credit card or overdraft) we may take the money you owe us out of your account by way of set-off or otherwise. We can use our right of set-off where you have accounts which are held in your sole name as well as joint accounts you hold with another person. Where possible we will give you at least seven days' notice, unless we reasonably think that you may move your money to stop us.

25. Financial Services Compensation Scheme

Important information about compensation arrangements.

- 25.1 We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to the current FSCS limit. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be the current FSCS limit each. The current FSCS limit relates to the combined amount in all the eligible depositor's accounts with the bank, including their share of any joint account and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please:

- call us on 0800 587 1111;
- ask at your local Santander branch;
- refer to the FSCS website www.FSCS.org.uk; or
- call the FSCS on 020 7741 4100 or 0800 678 1100.

Please note only compensation related queries should be directed to FSCS.

29. Dormant current and savings accounts

29.1 We participate in the unclaimed assets scheme established under the Dormant Bank and Building Society Accounts Act 2008. The purpose of the scheme is to enable money in dormant accounts (i.e. balances in accounts that have been inactive or dormant for 15 years or more) to be distributed for the benefit of the community while protecting the rights of customers to reclaim their money.

Under the scheme, we may transfer balances of dormant accounts to Reclaim Fund Limited (RFL). RFL is a not-for-profit reclaim fund which is authorised and regulated by the Financial Conduct Authority.

If we transfer the balance of your account to RFL, you will have against RFL whatever right to payment of your balance you would have had against us if the transfer had never happened. However, we will remain responsible for managing all aspects of the customer relationship with you and for handling all repayment claims (which we will do on behalf of RFL). Therefore, you should continue to contact us in the usual way if you have any queries or complaints in relation to your account or balance.

Both we and RFL participate in the Financial Services Compensation Scheme (FSCS). The transfer by us to RFL of your balance will not adversely affect any entitlement you have to compensation from the FSCS.

29.2 If you do not make any transactions on your account for one year in the case of current accounts and three years in the case of savings accounts then we may treat your account as being dormant

to remove the risk of fraudulent activity. This means that we will stop sending you statements and letters. To make your account active again, you will need to call the cahoot contact centre and will need to provide two pieces of personal identification such as a passport or driving licence, by post or fax.

30. Your information

You consent to us using your information to provide payment services to you. If you withdraw this consent, we will stop providing payment services but may still use your data where we have lawful grounds to do so (for example because we need to retain records for regulatory purposes).

cahoot savings accounts – conditions (not currently on sale)

1. Introduction

- 1.1 These conditions explain our obligations to you and your obligations to us in relation to the cahoot savings account.

2. Financial details

- 2.1 The minimum investment amount is £1 and the maximum investment amount is £2,000,000.

3. Deposits, withdrawals and closures

3.1 Deposits

- (a) You may pay money into a cahoot savings account by transfer from another cahoot account. You can also pay money into your account by standing order, Faster Payments or CHAPS – you will need to give your bank your eight-digit account number and sort code 09-06-43.
- (b) We do not accept cash or cheques for credit to a cahoot savings account;
- (c) Deposits made electronically can be used and will earn interest from the day the money is paid into your account.

3.2 Withdrawals

- 3.2.1 You may make withdrawals by sending money to another cahoot account or to an external account. The money will normally be taken from your cahoot savings account on the same working day we receive your payment instruction. The money will normally reach the bank of the person you want to pay no later than the end of the working day following the working day on which we receive your payment instruction. However, if you want to pay a person located outside the European Economic Area, the payment may take longer.
- 3.2.2 If we are able to send the money as a Faster Payment using the Faster Payment Scheme, then the payment will normally reach the bank of the person you want to pay sooner than the timescale referred to in condition 3.2.1. Please see condition 3.10(a) of the cahoot current account conditions for further information about faster payments.

- 3.3 You may open up to three savings accounts per issue.

3.4 Closure

You may close your cahoot savings account at any time. To close your cahoot savings account please send us a message from within the secure zone stating that you wish to close your account or, alternatively, contact cahoot on 0800 587 1111.

4. Interest

- 4.1 Variable interest rates apply. Details of our current interest rates and charges are available on our website www.cahoot.com. See general condition 18, variation of terms and conditions, for further information.
- 4.2 Interest is calculated daily on the amount in your cahoot savings account at the end of each day (excluding any uncleared items) and will be credited to your cahoot savings account:
- (a) on the first anniversary of opening your account, and then annually on the same date after that, if you choose to have interest paid annually; or
- (b) on the first day of the following month after opening your account, and then monthly on the first day of each month after that, if you choose to have interest paid monthly.
- (c) For the purpose of calculating interest we work on the basis that there are 365 days in a year, unless it is a leap year where interest is calculated on a 366 day basis. Interest is calculated

differently in a leap year and deposits made after 29 February will receive less interest than they would in a non-leap year.

- 4.3 If interest is payable on your account, you will start to earn interest from the working day that it is paid in provided that the money is received by us before the cut off time on that working day. For the purpose of calculating interest we treat Saturday as a working day. The cut off time is a time towards the end of a working day (the cut off time is usually not before 4pm). Interest will stop being earned on a withdrawal the day before it is deducted.

In some cases (such as online banking) a payment made into your account may appear on your account on a non working day (or outside the cut off time of a working day). In this instance the money may be available. However, interest will not start to be earned until the next working day.

- 4.4 You must choose the frequency of your interest payments when you open your cahoot savings account and this cannot be changed once your account has been opened.

5. Statements

A monthly statement will not be sent to you by email each month, but annual statements in the form of an e-document will be available for viewing online from within the secure zone.

cahoot current account – conditions (not currently on sale)

1. Introduction

- 1.1 These conditions explain our obligations to you and your obligations to us in relation to the cahoot current account.
- 1.2 You are limited to holding a maximum of three cahoot current accounts at any time (including joint and single accounts).

2. The cahoot debit card

- 2.1 Using your card:
 - (a) We may be asked to authorise a cahoot debit card payment before it can be completed. If we do authorise the debit card payment, your current account balance will change by the amount of the authorisation.
 - (b) We may refuse to authorise any debit card payment at our sole discretion in accordance with general condition 7.5 of the cahoot general conditions.
 - (c) After you have used your cahoot debit card to make a debit card payment, you cannot cancel that payment.
 - (d) Where a shop or other person you have paid using your cahoot debit card gives you a refund, your cahoot current account will be re-credited when we receive an acceptable refund voucher.
 - (e) Your cahoot debit card can be used for cash withdrawals.
- 2.2 If you do not have a cahoot debit card, at any time, you may request one by calling us on 0800 587 1111, and we will send you a cahoot debit card and a PIN.
- 2.3 You can change the PIN for your cahoot debit card at any LINK cash machine which has a PIN Service facility.
- 2.4 If a cahoot debit card is sent to you, we can renew it with the same type of card or a different type of card covered by the agreement which you qualify for at that time.

3. Deposits, withdrawals and closures

- 3.1 You can receive money into your cahoot current account by standing order, Direct Debit and other electronic funds transfers. You may also make cheque deposits by post to us or by cheque or by cash at most Post Offices within the UK. You cannot deposit cash or cheques in Santander branches or Santander cash machines.
- 3.2 Paying money in at a Post Office may be subject to daily limits which we will tell you about.
- 3.3 For cheques, the following applies:
 - (a) When a cheque is received and paid into your account, the earliest time cahoot will know if that cheque will be returned unpaid by the bank of the person who wrote the cheque is on the third working day after the day it is received by cahoot and paid into your account. The money will normally be available so that you can draw against it on the fourth working day after the day it is received by cahoot and paid into your account.
 - (b) For cheques sent to cahoot by post, the above processing timescales will apply from the day we pay the cheque into your account. You will not be able to withdraw against the cheque straight away, although, interest will be earned from two working days after the day the cheque is paid into your account.
 - (c) Cheques can be returned unpaid by the bank of the individual who wrote the cheque, even where funds have been made available to you. Even if you have used these funds to make a withdrawal or make a payment, we can take the money back out of your account up to and including the sixth working day after the day the cheque is paid into your account. Where it is

established that you are a party to a fraud, we can recover these funds at any time. If taking the money back out of your account means that you would have no money left in your account and you do not have an arranged overdraft, or would cause you to exceed any arranged overdraft limit, you may be charged an unarranged overdraft usage fee and unarranged overdraft interest. If your arranged overdraft limit has been exceeded, you must immediately pay sufficient money into your cahoot current account to bring your cahoot current account balance within your agreed limit.

For other information on cheque clearing services in the UK, please visit www.ukpayments.org.uk.

- 3.4 Until at least July 2018, cheques may be cleared in one of the following two timescales, depending on how and where you pay in the cheque. The timescales for each of these cycles is set out below. When you pay in a cheque you can ask which timescale will apply.

Cheque clearance timescales

(i) 2-4-6 timescale

Day cheque paid in	Day interest begins	Day we allow you to withdraw the money	Day you can be sure the money is yours
Monday	Wednesday	Friday	Following Wednesday
Tuesday	Thursday	Monday	Following Thursday
Wednesday	Friday	Tuesday	Following Friday
Thursday	Saturday	Wednesday	Following Monday
Friday	Tuesday	Thursday	Following Tuesday
Saturday	Wednesday	Friday	Following Wednesday
Sunday	Wednesday	Friday	Following Wednesday

For cheques paid in at the Post Office you should add two working days to the above timescale.

(ii) 1-2-2 timescale (Image clearing system)

If a cheque is paid into your cahoot account, it will start to earn interest and you can withdraw the money on the next working day. You can also be sure that the money is yours on that next working day. An extra working day should be added for cheques paid in at the Post Office.

Under this clearing system cheques are paid in and cleared using an image of the cheque. So if you want a copy of the cheque we will only be able to give you a copy of the imaged cheque.

If you are making a payment by writing a cheque you should always make sure you have sufficient available funds in your cahoot account to make the payment when you write the cheque as the money could leave your cahoot account as early as the day after you have written the cheque and given it to the recipient.

For more information about cheque clearing cycles see the Frequently Asked Questions on our website. We will keep you updated on when the 2 -4 -6 timescale will be fully replaced by the 1 -2 -2 timescale.

Cash deposits

- 3.5 Cash can be paid into your account over the counter at a Post Office using your debit card (other than in the Isle of Man) and will be available to you to draw against the same day.
- 3.6 Cash paid in at a Post Office in the Isle of Man must be paid in using a credit slip and we will pay the cash into your account when we receive it, normally the second working day after deposit at the Post Office. Once the cash has been credited to your account you will be able to draw against

it on the same day.

- 3.7 Interest will be earned from the day the cash is available to you to draw against.

Electronic Deposits

- 3.8 Deposits made electronically can be used and will earn interest from the day the deposit is credited to your account.

Payments from your cahoot account

- 3.9 Payments by internet, phone, electronic transfer, Direct Debit or standing order are normally taken from your account on the same working day we receive your instruction. The payment will normally reach the bank of the person you want to pay no later than the end of the working day following the working day on which we receive your instruction.
- 3.10 If we are able to send your payment as a Faster Payment using the Faster Payment Scheme, then the payment will normally reach the bank of the person you want to pay sooner than the timescale referred to in condition 3.9 provided that:
- (a) the bank of the person you want to pay is a member of the Faster Payments Scheme;
 - (b) you have provided a sort code for the bank of the person you want to pay which is recognised by the Faster Payment Scheme;
 - (c) the amount of the payment is within Faster Payment Scheme limits (see condition 7.6 of the cahoot general and product specific terms and conditions);
 - (d) we do not suspect fraudulent activity on your account. (There may be a delay in processing the payment instruction while fraud prevention checks take place. We may need to contact you if we suspect that a payment is fraudulent.) If we contact you, this may be by phone and may include an automated message.
 - (e) It does not exceed any transactional limits that we may apply.

If we are unable to send your payment as a faster payment, we will attempt to contact you to agree an alternative method of sending the money.

- 3.11 If you are sending money outside the UK or in a currency other than pounds, please also see the cahoot CHAPS and International Payments terms and conditions. For international Direct Debit payments, please also see condition 10 and the cahoot CHAPS and International Payments Terms and Conditions.
- 3.12 Automated payments from your account (e.g. standing orders, Direct Debits) will normally be debited at the beginning of the working day they are due. Deposits paid into your account on the day an automated payment is expected may not therefore be available to meet that payment.
- 3.13 Please ensure that you have sufficient funds in your account for automated payments and cheques, and that you do not rely upon automated deposits to meet these commitments.
- 3.14 If we are unable to pay a Direct Debit(s) or standing order(s) item on your account we will rely on you regularly monitoring your account to see this information.

Cash withdrawals

- 3.15 There are maximum daily limits on the amount of cash you can withdraw from your cahoot current account using your cahoot debit card. Information on the maximum daily cash withdrawal limit can be found on the card carrier that comes with your debit card. You should contact the telephone contact centre if you wish to withdraw more cash than the maximum daily limit.

Closure

- 3.16 You may close your cahoot current account at any time. To close your cahoot current account please send us a message from within the secure zone stating that you wish to close your account or, alternatively, call us on 0800 587 1111.

4. Using your cahoot debit card

- 4.1 Your cahoot debit card can be used to make purchases, cash withdrawals (at Santander UK cash machines or any other LINK machine displaying the VISA logo), recurring transactions or other transactions in accordance with the general conditions.

5. Payments to and from the UK and foreign currency transactions

- 5.1 You can make and receive payments to and from the UK and other countries using your cahoot current account.
- 5.2 Payments and cash withdrawals in foreign currency:
- (a) will be converted into pounds at our current exchange rate as at the date we receive the payment instruction for that type of transaction;
 - (b) will incur a foreign currency transaction fee based on the amount of the payment or cash advance in the currency of origin; and
 - (c) may also incur a foreign currency transaction fee imposed by the merchant or bank that carries out the transaction.
 - (d) our exchange rates for foreign currency payments are based on our cahoot reference exchange rates for the relevant currency. We have different reference rates depending on the size of the transaction and whether you are buying (if you are sending a payment) or selling currency (if you are receiving a payment into your cahoot account). Details of the relevant reference exchange rate will be displayed when you make a payment and are also available by calling us on 0800 587 1111. If you use your cahoot credit card or cahoot debit card for a transaction in a foreign currency, Visa or Mastercard will convert it into pounds the day it is processed, using the Visa or Mastercard exchange rate. Please see Condition general condition 28 for full details on cahoot credit card, cahoot debit card and cash-machine fees.
- 5.3 Further conditions will be sent to you when you request a foreign currency payment, however please refer to our tariff section for further information on our charges for these services. Please refer to the cahoot CHAPS and international payment terms and conditions which are available at the end of this document.

6. Cheques

- 6.1 We will 'cancel' one of your cheques at your request, if you send us a secure message or call us on 0800 587 1111 (or on 44 1908 937222 from outside the UK) as long as:
- (a) the cheque has not already been paid;
 - (b) you give us sufficient details, of most importance are the account number and cheque number; and,
 - (c) you have not used your cahoot debit card to guarantee payment of the cheque.
- 6.2 You should not write a future date on a cheque. If you do, we can decide whether to pay it or return it.
- 6.3 Cheques normally become out of date after six months, so you should pay them in so that they clear in that time.

7. Overdrafts

7.1 You can go up to £100 overdrawn at any time without being charged interest. If we have agreed to provide you with an arranged overdraft facility, we will determine your arranged overdraft limit and tell you what it is from time to time. If you go more than £100 overdrawn but do not exceed your arranged overdraft limit, we will charge you arranged overdraft interest. For details of the arranged overdraft interest rate applicable to your account, please go to 'View transactions' in online banking at www.cahoot.com.

If you go past your arranged overdraft limit, we will charge you unarranged overdraft interest at a rate of 21.9% EAR (variable) plus an unarranged overdraft usage fee of £6 (variable).

In calculating the EARs, we have ignored any changes to the interest rates, fees or other charges which we may introduce or vary under general condition 18.

- 7.2 We cap the amount of unarranged overdraft fees that can be incurred in any monthly statement period. This includes unarranged overdraft interest, unarranged overdraft usage fee and fees for refusing a payment due to lack of funds. There is no cap on arranged overdraft interest.
- 7.3 We can review your arranged overdraft limit. We will usually give you no less than 30 days' notice of our intention to change your arranged overdraft limit but may do this without advance notice to you where it would be reasonable to do so. If we reduce your arranged overdraft limit, you will be required to repay any excess over your new arranged overdraft limit immediately.
- 7.4 If you use your overdraft you will be expected to make monthly deposits in to your cahoot current account, if you do not deposit money regularly your arranged overdraft facility may be withdrawn. Regular deposits into your cahoot account will help us to make decisions in response to requests you may make to us. This could include requests from you for additional cahoot accounts or for increases to your credit card limit, or overdraft limit.
- 7.5 We can require you to repay all or any part of your overdraft immediately at any time, but we will normally give you no less than 30 days' prior notice.
- 7.6 If you go past your arranged overdraft limit, you must immediately pay sufficient money into your cahoot current account to bring your cahoot current account balance within your overdraft limit. You will be charged interest and incur a charge for each cahoot current account statement period during which you exceed your overdraft limit.
- 7.7 If you have exceeded your arranged overdraft limit, we may decline any of your Direct Debits, standing orders and other direct payments from your cahoot current account.
- 7.8 If any direct payments, e.g. standing orders or Direct Debits, are declined by us, you will have to make a request to us in the secure zone asking for them to be reinstated. We will do so if you have any money in your cahoot current account. This pre-notification will be placed in the secure zone, and we will send you an email to tell you this is there at least 14 days before any amounts are to be debited.
- 7.9 In accordance with general condition 14.1 you agree that we may assign or transfer all or any of our rights and responsibilities under this agreement by absolute assignment, by way of novation or by way of security. If we do this in respect of an overdraft on your account we will give you prior notice of our intention in writing.

8. Interest and charges

- 8.1 Interest accruing on your cahoot current account will be credited to that account on your statement date.
- 8.2 We will agree with you the amount by which you can be overdrawn without incurring interest or any charges.
- 8.3 We will charge you interest where the balance of your cahoot current account exceeds the interest free overdraft limit but remains within your arranged overdraft limit.
-

- 8.4 When the cahoot current account is opened and after that on our website, we will tell you what interest rates and charges apply to the cahoot current account. The fee information document also contains some of the fees and charges that apply to your account.
- 8.5 Interest will be debited to your account on the statement date and you will receive 14 days' advance warning via email.
- 8.6 You will be notified at least 14 days in advance by letter of any charges to be applied to your account.
- 8.7 Details of our current interest rates are available on our website www.cahoot.com. Details of our charges are given in our tariff (general condition 28). We may vary our charges and introduce new ones, in which case we will give you notice in accordance with general condition 18.
- 8.8 If interest is payable on your account, you will start to earn interest from the working day that it is paid in provided that the money is received by us before the cut off time on that working day. For the purpose of calculating interest we treat Saturday as a working day. The cut off time is a time towards the end of a working day (the cut off time is usually not before 4pm). Interest will stop being earned on a withdrawal the day before it is deducted.
- In some cases (such as online banking) a payment made into your account may appear on your account on a non working day (or outside the cut off time of a working day). In this instance the funds may be available. However, interest will not start to be earned until the next working day.
- 8.9 For the purpose of calculating interest we work on the basis that there are 365 days in a year, unless it is a leap year where interest is calculated on a 366 day basis. Interest is calculated differently in a leap year and deposits made after 29 February will receive less interest than they would in a non-leap year.

9. Cancellation of Direct Debits, standing orders and recurring transactions

- 9.1 You may cancel a Direct Debit you no longer need up to the end of the working day preceding the day agreed for transferring the money.
- To cancel the Direct Debit you should give us details of the date and amount of the payment you want us to cancel and the name and reference of the recipient.
- You should also advise the recipient. You may also cancel a Direct Debit by only telling the recipient and not telling us, but they will need longer to cancel it.
- 9.2 You may cancel a standing order you no longer need by telling us. You can do this up to the end of the working day preceding the day before the money is due to be transferred.
- To cancel a standing order you should give us details of the date and amount of the payment you want us to cancel and the name and sort code of the person you instructed us to pay.
- 9.3 If you are stopping a recurring transaction we will stop the payment provided that we receive notice from you no later than close of business on the working day prior to the date the payment was due to be made. We recommend that you also tell the payee.

10. EEA Direct Debits made in Euro

- 10.1 If you are making an EEA Direct Debit payment in Euro you do not need to contact us prior to commencing the collection of payments from your account. The person collecting the EEA Direct Debit will arrange for the payments to be collected from us. We will tell you when the first EEA Direct Debit payment request is received. You will not need to contact us if you are happy with the payment being made. The person or organisation collecting the EEA Direct Debit will inform you of the amount of the payment and the collection date unless it has been agreed otherwise between you and them.

- 10.3 For refunding EEA Direct Debit transactions, see general condition 11.

- 10.4 If a payment in Euro is returned, the returned payment will be credited to your account using the original exchange rate unless the reason for the return is that the details that have been given for the account of the payee are incorrect or the account of the payee has been closed, in which case the exchange rate applicable for the working day on which we re-credit your account will be applied. This will mean that the sum received by the beneficiary or by you may be less than the amount you have sent or received.

cahoot credit card – conditions (not currently on sale)

1. Introduction

- 1.1 This section of the conditions explains our obligations to you and your obligations to us in relation to a cahoot credit card and a cahoot credit card account. They must be read in conjunction with the cahoot general and product specific terms and conditions.

2. The cahoot credit card

- 2.1 Using your card:

- (a) You will need to activate your cahoot credit card and any additional cardholder's card once you have received it in accordance with the instructions also received at the time;
- (b) We may be asked to authorise a transaction you make using your cahoot credit card before it can be completed. If we do authorise the transaction, your available credit will be reduced by the amount of the authorisation. We may refuse to authorise any transaction without giving a reason;
- (c) Where a shop or other person you have paid using your cahoot credit card gives you a refund, your cahoot credit card account will be re-credited when we receive an acceptable refund voucher;
- (d) Your cahoot credit card can be used to withdraw cash, foreign currency or pay for travellers cheques (cash transaction(s)). Where you use your cahoot credit card for cash withdrawals if there is any limit on the total amount of cash you may withdraw, which may change, we will let you know what this is. We will put on the account all transactions and other amounts that you have to pay under your cahoot credit card. You will authorise a transaction by giving your consent. This can be done in any of the ways we tell you about from time to time including using your cahoot credit card or PIN, providing your card details online or over the phone, signing a paper voucher or using a device on which your card details have been loaded. Where the transaction is made without you being present, for example on the internet or by phone, you give your consent by giving the card number and other details requested by the person that you are paying or by using your card and PIN at a cash machine. If you have given your consent to a series of transactions (such as a recurring transaction or to a third party) you may cancel this at any time. Recurring transactions are authorised when you notify us that you authorise a continuous payment instruction to a supplier. Once transactions are authorised they cannot be revoked, except as set out in condition 2.1(g) below; and
- (e) Where you dispute a transaction, if following our investigation, we find that you have not authorised the transaction we will refund the amount of the transaction and restore the payment account to the state it would have been in had the transaction not taken place.
- (f) If you dispute any pre-authorised transaction, you must tell us about this as soon as possible. If the dispute relates to the amount of any transaction where the amount of the transaction exceeds the amount that you reasonably expected (other than as a result of exchange rate fluctuations) you must tell us within eight weeks from the date on which the transaction was put on your account as you are entitled to a full refund.

The right to a refund does not apply where you have given consent to the transaction to be made and information about the payment was provided at least four weeks before the date on which transaction is due.

(g) If you have given consent to a recurring transaction, the supplier may continue to be paid using the cahoot credit card account until you tell them or us to cancel the recurring transaction. You may withdraw your consent to a recurring transaction at any time. Notice will be effective as long as it was provided no later than the close of business on the working day prior to the date it was due to be paid to the supplier.

- 2.2 If you are an existing cahoot credit card customer and do not have a valid cahoot credit card at any time, you may request one by sending us a secure message request or calling us on 0800 587 1111, and we will send you and any additional cardholder a cahoot credit card and a PIN.
- 2.3 You can change the PIN for your cahoot credit card at a Santander cash machine only.
- 2.4 If a cahoot credit card is sent to you, we can renew it with the same type of card or a different type of card covered by the agreement which you qualify for at that time.
- 2.5 There are maximum daily limits on the cash you can withdraw using your cahoot credit card. Please call us on 0800 587 1111 if you want to know what they are.
- 2.6 You are limited to holding a maximum number of two cahoot credit card accounts at any time.

3. Foreign transactions

- 3.1 All transactions and cash transactions made outside the UK in a currency other than pounds:
 - (a) will be converted into pounds on the day they are added to your account at an exchange rate set by the payment scheme provider. The exchange rate used may differ from the rate when the transaction was made as exchange rates vary on a daily basis. The exchange rate used when such transactions are made and the amount of the transactions in pounds following application of the exchange rate will be set out in your statement. More detailed information about certain payments and transactions can also be requested by contacting us on 0800 587 1111.
 - (b) will incur a foreign currency transaction fee based on the amount of the transaction or cash advance in the currency of origin; and
 - (c) you may also incur a foreign currency transaction fee imposed by the merchant or bank who carries out the transaction.

4. Balance transfers

- 4.1 Subject to your credit card limit, at any time you can ask us to carry out a balance transfer. The amount to be transferred must be more than £100 and within your available credit limit.
- 4.2 If you make a balance transfer you should continue to make monthly repayments to your existing credit/store card(s) until the transfer appears on those account statements.
- 4.3 The total amount of transferred balance(s) outstanding on your cahoot credit card may not exceed 95% of your current credit limit. You cannot make balance transfers to any other cahoot credit card or Santander credit cards.
- 4.4 You will be charged a handling fee for balance transfer transactions (unless we have told you otherwise) of up to 3% of the transaction (minimum up to £5). After a balance transfer has been processed you cannot cancel it and any charge we make for making the balance transfer cannot be refunded to you.
- 4.5 If you ask us to make a balance transfer on a working day before the cut-off time, the payment will reach the receiving bank on the next working day. We will tell you the cut-off time when you ask for a balance transfer. If you make the request on a non working day or after the cut-off time, we'll process it on the next working day and the payment will reach the receiving bank on the next working day after that.
- 4.6 If you ask us to make a balance transfer and the funds are sent to the wrong account, we will, unless you provided us with the wrong details, restore your cahoot credit card account to the state it would

have been in had the payment not been made. If we send it late, you may ask us to contact the recipient lender and ask them to credit it as if it had been received on the correct date.

- 4.7 Where we find that you have given us incorrect details, we will use reasonable steps to recover any amounts sent. We are entitled to charge you a reasonable sum for doing this.
- 4.8 If you are experiencing financial difficulty please see the 'money worries' page online at www.cahoot.com, or call us on 0800 587 2211 (current accounts) or 0800 389 7897 (for credit cards) at the earliest opportunity, so that we can try to provide you with help.

5. The cahoot credit card limit

- 5.1 We may increase or reduce your credit limit from time to time. You can ask us to change your credit card limit at any time by sending us a secure message request or calling us on 0800 587 1111. If your cahoot credit card account is in arrears or if you fall below our credit scoring thresholds, we may not consider your request. Before determining whether to raise your credit limit we may carry out appropriate checks, including credit assessment (see the 'credit reference agencies' section on the 'security and privacy' page at www.cahoot.com for more details).
- 5.2 The credit card balance on your cahoot credit card account must not exceed your credit card limit. If it does, you will need to pay the excess amount immediately and you will incur a charge for each statement period during which you exceed your credit card limit. You will be permitted to withdraw up to 50% of your credit card limit in cash. We may change this Cash Limit from time to time including reducing it to zero and will notify you of any changes by post, email, your statement or the document store in Online Banking.
- 5.3 If we decide to increase your credit card limit under condition 5.1 we will tell you at least 30 days before we do so. You may tell us at any time that you want your credit card limit to be reduced (subject to a minimum credit limit which we will tell you upon request) and you may reject any credit card limit increase which we may offer you before it takes effect. You may also tell us that you do not want to be considered for any credit card limit increases in the future or for credit card limits to only be increased with your consent.
- 5.4 A higher credit limit may offer greater flexibility and convenience to meet your financial needs. However, it may also increase the risk of taking on too much debt, which may be costly, or take a long time to repay. You should carefully consider whether you need a higher limit.

6. Interest

- 6.1 We will not charge you interest if you repay the full credit card balance shown on your statement by the first payment date after the date of the relevant statement.
- 6.2 If you do not repay the full credit card balance shown on your statement by the first payment date after the date of the relevant statement, we will charge you interest at the interest rate on the purchases and transactions made during the statement period until it is paid in full.
- 6.3 If you pay in full the credit card balance shown on your current statement by the payment due date but did not pay in full the credit card balance shown on your previous statement by the payment due date, we will charge interest on each purchase or transaction shown on your previous statement until your payment clears onto your account.
- 6.4 When interest is charged, it is calculated on a daily basis at the relevant monthly rate set out in the agreement.
- 6.5 Interest is charged from the date on which a purchase or cash advance (or other transaction or sum on which interest is payable) is charged to your cahoot credit card account until it is paid in full.
- 6.6 Interest is charged on any interest or fees you owe at the same rate that applies to the category of transaction on which interest was charged.

- 6.7 We may vary the rate of interest that applies to your credit card for any of the reasons stated in general condition 18. When we do so we will give you notice in writing of the variation. If the variation results in an increase of the rate of interest then we will give you 30 days' prior notice in writing of the change.

7. Charges

- 7.1 Details of our current interest rates are available on our website www.cahoot.com.
- 7.2 Details of our charges are given in our tariff. On giving you notice under general condition 18 we may change the charges. We will notify you personally in writing at least 30 days prior to a change in our day to day charges. You are free to close your account immediately without loss of interest or charge at any time during the notice period but you must repay any outstanding balance, interest or charges outstanding on your cahoot credit card account.

8. Repayments

- (a) The full credit card balance if it is less than £5; or if the full credit card balance is greater than £5 then the total of
 - (b) Any arrears payable, plus the greater of
 - (c) 2.5% of the credit card balance or £5
- 8.3 We are required to monitor your level of repayments and, if we find that over a sustained period, your payments are not paying off as much of your balance as they are in interest, fees and charges, we will contact you to try to help you pay off the balance more quickly. If this continues for a further period, we may be required to ask you to make additional payments or take some other action so that you repay your existing outstanding balance over a reasonable period, taking into account your personal circumstances. Depending on the option you choose, we may also need to suspend your cahoot credit card account until you have repaid the outstanding balance.
- 8.4 Any additional payments will be in addition to your standard minimum payment. Failure to make such additional payments will not result in a breach of your agreement with us or be treated as a failure to make your minimum monthly payment under Condition 8.2 but may result in suspension of your card.
- 8.5 We may cancel or suspend your right to use your cahoot credit card account at any time where we reasonably believe this is necessary because of reasons relating to:
- (a) the security of your cahoot credit card account;
 - (b) suspected or actual unauthorised or fraudulent use of the cahoot credit card account;
 - (c) a significantly increased risk that you will not repay us
 - (d) you only meeting the minimum payment for a sustained period and then:
 - (i) not responding to our requests under Condition 8.3 to select an additional payment amount; or
 - (ii) responding to our requests under Condition 8.3 but failing to select an additional payment amount, either because you do not feel the higher amount is affordable, or because you do not wish to pay the higher amount; or
 - (iii) responding to our requests under Condition 8.3 but choosing an option which we have told you will result in temporary suspension of the card until the balance has been repaid or choosing another option but subsequently failing to maintain the higher payments for the requested period.

- 8.6 If at any time you wish to change the payment date, you should send us a secure message request or call us on 0800 587 1111.
- 8.7 We will allocate your payment to the different amounts of your outstanding statemented credit card balance in the following order: cash transactions, payment protection insurance premiums, purchases, balance transfers, other transactions, including cheques.
- 8.8 You should not make payments that place the cahoot credit card account in credit. If you do, we may still restrict the use of the credit card and the credit card account to the amount of your credit card limit and we can return any credit balance to you.

9. Additional cards

- 9.1 You can ask us to issue an additional credit card on a cahoot credit card account to an additional cardholder.
- 9.2 An additional cardholder will not be responsible or liable for any purchases, cash transactions, interest, fees, charges or other sums charged to your cahoot credit card account. You will be responsible for these.
- 9.3 We may remove an additional cardholder's right to use your cahoot credit card account. If we do so you will be responsible for cutting the additional credit card in half and returning it to us.

10. Default

- 10.1 Subject to our carrying out any procedures required by the Consumer Credit Act 1974, all amounts outstanding under the agreement will be payable on demand if:

- 11.2 If we give you notice to vary the conditions you have the right to close your cahoot credit card account and repay the outstanding balance and any interest payable at any time during the notice period we give you for removal, change or addition.
- 11.3 The notice that we will give you will be at least 30 days' prior personal notice to you if the change is to your disadvantage or otherwise we will give you notice within 30 days following the change.
- 11.4 In accordance with general condition 14.1 you agree that we may assign or transfer all or any of our rights and obligations under this agreement. If we do this we will give you prior notice of our intention in writing.

cahoot CHAPS and International Payments terms and conditions

These terms and conditions (the 'Conditions') set out your rights and obligations when you instruct us to make any of the following payments in connection with your cahoot account (the 'Account'):

- **CHAPS Payments** – being payments in the UK made in pounds through the Clearing House Automated Payments System. More information about CHAPS Payments is set out in the Frequently Asked Questions on our website;
- **EEA Payments** – being payments to a country in the European Economic Area in any currency, in each case using SWIFT; or non-urgent payments in euros using the SEPA Scheme; and
- **International Payments** – being payments anywhere in the world outside of the European Economic Area made in pounds or any other currency, using SWIFT. More information about International Payments and the currencies that you can make or receive payments in is set out in the Frequently Asked Questions on our website or you can ask a member of our staff.

If you instruct us to make an EEA Payment or an International Payment we may convert it into the currency of the country the payment is being sent to.

These Conditions are set out in three sections. Conditions relevant to all payments are given in Section 1 under the heading 'CHAPS, EEA Payments and International Payments Conditions' below. Extra conditions covering both EEA Payments and International Payments ('Special Conditions applicable to EEA and

International Payments') and International Payments ('Special Conditions relating to International Payments') also apply. These are set out at Sections 2 and 3 respectively. The Special Conditions applicable to EEA and International Payments and the Special Conditions relating to International Payments will apply to those particular payment services in addition to the CHAPS, EEA and International Payments Conditions.

If any condition in this section differs from any condition in any other section of these 'cahoot general conditions' then the condition in this section is the one that applies.

1. CHAPS, EEA and International Payments Conditions

1.1 Receiving your instructions and stopping a payment

- (a) You may make a payment request by telephoning us and following our instructions (a 'payment instruction'). When you give us a payment instruction in this way you are consenting to us sending the requested payment, and taking the amount of the payment plus our fees for conducting the payment from your Account.
- (b) Subject to Condition 1.1(c) below, we will be deemed to have received your payment instruction at the time that we actually receive it and have completed our required security checks. However, if we receive your instruction on a non-working day or after the stated cut-off time below, we will be deemed to have received it on the following working day.

**Switzerland, Monaco, the French collectivities of 'Mayotte' and 'Saint-Pierre-et-Miquelon' as well as San Marino are also part of the geographical scope of the SEPA. Please note that whilst most banks in the EEA are able to accept SEPA payments, some do not.

- (c) If your payment instruction specifies that the payment in question is to take place on a specific day, or on the last day of a certain period (a 'future payment') then we will be deemed to have received it on the day specified in the instruction, unless that day is not a working day in which case the next working day will apply.
- (d) You cannot cancel or change a payment instruction after we have completed our security callback as we start processing it at this point. You can cancel or change a future payment instruction, provided you tell us by calling us on 0800 587 1111 before the end of the working day before the payment is due to be made and we have not already processed your future payment instruction.

A Service Fee may be payable for requesting us to stop a future payment from your cahoot account; please see our 'Tariff of charges' for details.

- (e) We are not obliged to receive or to request credit confirmation from the bank of the beneficiary that the payment has been received.

1.2 **Fees and exchange rates**

- (a) We will tell you our charges for the payment that you wish to make before you agree your instruction with us. For details of the fees we charge for EEA Payments and International Payments please see our 'Tariff of charges' and if you have a current account, the fee information document.
- (b) Our exchange rates for foreign currency payments are based on our Cahoot reference exchange rates for the relevant currency. We have different reference rates depending on the size of the transaction and whether you are buying (if you are sending a payment) or selling currency (if you are receiving a payment into your cahoot account).
- (c) The exchange rate to be used will be determined by our current exchange rate on the day your cahoot account is debited or credited. We will provide you with information about the exchange rate and the amount of the foreign currency for that payment after your cahoot account has been debited or credited with the amount of the transaction. Where the payment instruction is made before the cut-off times set out in condition 1.1(b) and it is not a future dated payment, we will tell you the exchange rate to be used for your payment before you agree your instruction with us.

1.3 **Returned payments**

- (a) If a payment is returned to us, it will be credited to your cahoot account net of any fees charged by third party banks in returning the payment.
- (b) If the returned payment is in a currency other than pounds, before crediting the returned payment into your cahoot account, we will convert the returned payment (less any fees referred to in condition 1.3(a)) into pounds using the exchange rate applicable for the working day when the money is paid back into your cahoot account. This may mean that your cahoot account will be re-credited with a different amount than was originally debited.

1.4 **Your personal information**

When using established banking relationships to send your money, personal information about you contained in the transaction may be provided to overseas authorities and the beneficiary bank in order to comply with applicable legal obligations and prevent crime. This may include a transfer of your personal data outside the EEA. This information may include your full name, address, date of birth and account number. For more detail on how we transfer data internationally, see our Data Protection Statement.
